

Letter of Recommendation

To Whom It May Concern,

This is to certify that Mr. Nimish Vyas has successfully completed a 2-month mentorship program as a Software Engineer trainee under me at Vodafone UK, from April 1st, 2025 to June 1st, 2025.

During this period, Mr. Nimish Vyas worked on an AI-powered customer experience analytics dashboard, leveraging OpenAI's natural language processing and data analytics tools. He demonstrated strong technical skills in Python, Streamlit, and machine learning, along with excellent problem-solving abilities and a proactive attitude towards learning.

We found Mr. Vyas to be a dedicated, responsible, and enthusiastic trainee who contributed effectively to our team.

We wish him all the best in his future professional endeavors.

Best Regards
